Cates Park Concert Series

This year's Cates Park Concert Series was the most successful one Musart has ever seen! Featuring performances from the likes of: The Hermit, Stef Lang, A Trophy Life, Redgy Blackout, Satori Tide, and many many more, the series was a lot of fun for everyone involved.

With the guidance of Artistic Director, Tyler Pearson and help from the North Vancouver Office of Cultural Affairs (NVOCA), The City & District of North Vancouver, the HRDC, and Dan Morrison of Sotheby's International Realty, Musart's proceeds from the Cates Park Concert Series Compilation CD was able to be given to all the participating artists! Thanks to everyone who helped support your local musicians by purchasing a compilation CD! We sold out!

Deep Cove Daze

Musart's annual Deep Cove Daze festival took place on Sunday, August 30th this year and we couldn't have wished for a better day! The sun was shining, the bands were fantastic and everyone had a great time. This year the RBC main stage featured: the Deep Cove Big Band, Giraffe Aftermath, Ghost Brothers, Satori Tide and headliner, Stef Lang featuring DCM instructors, Paul Townsend, Jesse Griffith, Phyllis Ho, and DCM manager, Jeff Elston.

New to the festival this year was the Deep Cove Idol contest in which 2 age categories of youth competed in singing their favorite songs for a chance to perform their song on the main stage and for 3 hours of studio time provided by DCM Studios. The contest was judged by our president, Tyler Pearson and his mom and dad, Val and Pat who are industry professionals. Congratulations to our winners!

Musart would like to thank all our sponsors, volunteers, artists and artisans and to the community for making these events the best ones to date! We look forward to next year!

A special thanks to Christine Chan and Alina Wilson, the coordinators for 2009's events. Fantastic job girls!

Featured Instructor: Hamish Thomson

Hamish Thomson is entering his second season with the DCM family as a drum instructor. He is the founding member of the indie-electro band The Hermit and has been signed to Nettwerk records. Hamish is the recipient of numerous awards and nominations including "male artist of the year" and "best electronic artist." A talented producer, composer and drummer Hamish has worked with DCM Studios on numerous projects. Hamish teaches most often on the electronic drum kit where his favorite set of sounds for budding young drummers is the farm animal set. With his extensive knowledge of the music industry, styles and genres, Hamish is fantastic teaching any style or age. Occasionally, schedule permitting, Hamish treats his students to a lesson on the session drum kit in DCM Studios.
